**REQUEST FOR CERTIFICATION OF CORRECTION**

Dear Sir:

A Certificate of Correction is hereby requested to correct mistakes which were the fault of the Patent and Trademark Office. Attached please find a copy of a request to correct informalities that appeared in the Examiner's Amendment submitted to the USPTO on June 9, 2006. However, the requested changes were not reflected in the issued patent.

Please see the attached form PTO/SB/44 indicating the requested corrections. This request for a Certificate of Correction is proper because it does not involve such changes in the patent as would constitute new matter or would require reexamination.

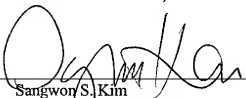

Accordingly, the U.S. Patent and Trademark Office is respectfully requested to approve and issue the present Certificate of Correction.

Respectfully Submitted,

DITTHAVONG & MORI, P.C.
